

PRICE LIST, TUG CHARLIE

The tugboat's tariffs for merchant vessels in the Port of Raahen area will be charged for each starting half hour based on the vessel's net tonnage, time used and the time of day as follows.

Charge for the tug is from the time the tug boat leaves its base until the time it returns to the base.

The charge shall be made according to the maximum net tonnage of the vessel. In the case of a tug/barge combination or a pusher/barge combination, the towing is charged according to the total net tonnage of the combination.

Minimum charge is always 1 hour.
